The Sidney Museum and Arts Association, a non-profit organization founded in 1970, is dedicated to preserving local history and fostering the arts. The association established and maintains the Sidney Art Gallery, the Sidney Museum and the Log Cabin Museum.

The Sidney Art Gallery and the Sidney Museum are located in Port Orchard’s first Masonic Hall, built in 1908 when fraternal orders were the social hub of a small town.

The Gallery offers for show and sale the works of Northwest artists with a special showing each month. Creative gifts are offered for all occasions: original paintings, prints, pottery, sculptures, wood carving, blown glass, and jewelry.

The Sidney Museum, located on the second floor, features vignettes of early South Kitsap County life and includes a general store, doctors office, school house and hardware

store. Photographs of Port Orchard and South Kitsap through the years are also on display.

The Log Cabin Museum is housed in a 1914, two story, 800 sq. ft. log cabin built on the site. Changing exhibits portray family life at various times in South Kitsap’s history. Pioneer families generously contribute family treasures to the Museum’s growing collection of artifacts, photographs and documents.
