Class**

**Entrelac
Knitting
Class**

**Needle Turn Applique
Class**

Upcoming Classes

We are starting off the new year with some exciting new classes. To attend these classes please call Pam Heinrich at 876-3881 to make your reservation. These classes are held at the Sidney Art Gallery and fill up fast.

January 8, Wednesday, 5 pm to 7:30 pm. Back by popular demand is Patti Ellis teaching the NUNO FELTED SCARF. You can see examples of what you will be making at the gallery. We have some of Patti's beautiful scarves for sale. You do not need any prior experience to complete this project. The fee is \$45 for the kit to make this scarf. The kit includes hand dyed silk, wool roving, embellishment yarns, instructions, roller, netting and bubble wrap. You will need to bring with you two old beach towels, scissors and a large spray bottle. With all this you will create a unique piece of wearable fiber art. There is physical activity involved in this felting process, so be prepared for a work out.

January 20, Monday, 6 pm to 7:30 p.m. Guy Cook will be teaching another class in getting your website set up. If you have attended Guy's classes last year, you will want to continue with PLANNING AND SOFTWARE SET-UP. There is no fee for this class. He will cover what you are trying to achieve with your website and how to take that from the idea stage to see it in your browser. Part of this process has always been to look at what your competitors are doing online. Bring a pen and note pad. Even if you didn't attend Guy's previous classes you will still be able to jump in and get some ideas for website planning.

February 17, Monday, 6 pm to 7:30 pm. Chris Stansbery will be teaching an exciting knitting technique called ENTRELAC. This technique is used to create a textured pattern that resembles basket-woven strips of knitted fabric. Entrelac knitting allows for colorwork and is often used to create patterns in socks, hats, scarves, blankets, purses, pillows and more. You will need to know the basic knitting stitches knit and purl. Please bring one pair of knitting needles in any size 6, 7 or 8. By the end of the evening, you will have created a square using cotton yarn that can be used as a dishcloth, potholder, hotpad, or be made into a small notions bag. Chris will be supplying the yarn. There is no fee for this class. A fun way to spend these cold evenings knitting up a beautiful gift for someone (or yourself).

March 10, Monday, 6 pm to 7:30 pm. Mary Peterson and Dana Harmon will be teaching the art of NEEDLE TURN APPLIQUE. Mary is getting started on the Heritage Quilt. The quilt will be used to raise money for our Olga 'Toni' Nelson Student Art Scholarship fund. It takes about one year to make this quilt so it will not be raffled off until 2015. All materials will be supplied. You do need to have some sewing experience, but don't worry she will get you started and excited to complete one of the blocks we need to complete this quilt. There is no fee for this class.

Ladies Shop Added to Museum

The Sidney Museum has added a new display. The display is set up as a ladies garment shop with accessories and hats. We have pulled out a lot of our vintage dresses for you to look at and have added a proprietress to the scene. All of our vintage hats have been cleaned, spruced up and taken out of their boxes so you can revel in their pure beauty. It is a wonderful addition to all of our scenes and we invite you to look at our collection. Stay tuned for updates on the museum because we plan to change out the clothing from time to time to keep this display interesting.
