MAY 5, 2015**

**Kitsap Great Give is May 5, 2015**

On that day, go to [www.kitsapgreatgive.org](http://www.kitsapgreatgive.org). You may donate to as many non-profits as you want. All donations made on May 5 will help your favorite nonprofits gain a share of the bonus pool and/or prizes donated by our Sponsors. \$50 donated by you could become \$60 to \$75 to the nonprofits you've chosen. We hope that Sidney Museum and Arts Association will be included in your favorites!

Any amount is accepted and this is a good way to maximize your donation to SMAA.

Thank you for participating!

We always are looking for volunteers at the Gallery and the Log Cabin. Help with special events, such as the Historic Home & Garden Tour, or work a day at the gallery or log cabin greeting visitors and learning about our wonderful organization and buildings. Meet the artists of our community and help with the Art-walks. There are many opportunities available. Call 360-876-3693 or visit the Gallery at 202 Sidney.
