UNIQUE FELTED PIN Back by popular demand is Patti Ellis showing you how to create this gorgeous felted pin. The workshop is on Oct. 7, Monday from 6 pm to 7:30 pm. She will help you design a pin using silk and wool roving with embellishing glittering yarns and beads. You get to choose the colors you want to work with. You will want to make lots of these for Christmas gifts. She will have kits for you to purchase to take home. The kit for this class is \$30 and you need to supply one closed cell block and one felting needle. No previous experience is required.

"HELP YOUR WEBSITE EVERYDAY. HAVE A RIGHT START" by Guy Cook. On Monday, October 21, from 6 pm to 7:30 pm. If you fail to plan, you are planning to fail, especially when it comes to websites and social media. Following up on the successful social media for artists class, Guy will be presenting the best practices for starting your website. Why it is important. There will be links available with resource videos for you to watch after class.

NEEDLE FELTING. You have seen Sally Shuster's cute felted animals on sale at the gallery on our Christmas tree. Well, maybe you did not because they sell really fast. Sally and helper Pam Heinrich will teach the basic method of needle felting on Monday, November 4, from 6 pm to 7:30 pm. No experience is required. There is a \$5 fee for the materials to make a cute small animal, like a mouse or rabbit. You will need to bring a closed cell foam block and a felting needle.

Mimi Fox Exhibition

If you missed the chance to see the **Mimi Fox** exhibition "The Coast - A New Vision" in July at the Sidney Art Gallery, you have a chance to see it at the Runyan Gallery in Newport, Oregon from October 4 to December 1. There is an opening reception on Friday, October 4, 5 to 7 pm.

Hats Off Party at the Gallery!

Hats off to all of you who come and participate. The History Committee invites you to a working hat party on Veterans Day, Monday, November 11, 2013 from noon to 5 pm at the Sidney Art Gallery. We're getting ready to button up the log cabin for the winter, so we're bringing down a trunk full of hats that need to be brushed and shaped and moved upstairs to the museum for the winter. Come join us for as long as you'd like. We'll start with coffee, tea and cake and end up with wine, cheese and crackers. Help clean the hats and help us identify the type and year of the hats while you tell us stories of hats you remember and days gone by. Contact Sally Shuster at 360-876-8990 or leave word at the Gallery at 360-876-3693 or email us at smaasidney@gmail.com.
